***It is presumed that the house will be in order and somewhat picked up to facilitate cleaning the areas described above. Clutter and furniture must be out of the way for us to be able to access areas. We do not climb higher than a provided step stool permits. Higher items will only be dusted if within reach of extension duster. We do not lift items over 15lbs and cannot move furniture. We do not change linens or straighten the top bunk of bunk beds. We cannot guarantee the results of dusting of window blinds. Excessive build up may require more cleaning than we offer.
